there s a rich harry potter spells list that has become a lexicon in every day life since there are so many harry more than any other book of the last fifty years the harry potter novels have captured the imagination of children and adults around the world yet no one has ever been able to unlock the secret of harry s wild popularitypotter charms and spells we can t help but wonder how they could be used in real life avada kedavra as the most powerful spell these curses are quite powerful indeed an immensely complex spell involving the magical concealment of a secret inside a single living soul the information is hidden inside the chosen person or secret keeper and is henceforth impossible to find unless of course the secret keeper chooses to divulge it as long as the secret keeper refused to speak you know who could search the village where lily and james were staying for years and never find them not even if he had his nose pressed against their sitting room window moving becomes more interesting never be bothered during a movie again or skip the gym it would be also super awesome to turn water into rum without an explosion of course or how about throwing a protection shield around your house to keep

burglars away his eyes gazed into Harry's and it was almost as though an invisible beam of understanding shot between them. In my opinion the most powerful spells would be *Crucio* and *Avada Kadavra* while the latter kills the person on the receiving end the former just instills a large amount of pain on the person. I'd prefer instant death to experiencing a huge amount of pain. Author and Harry Potter fan Duncan Levy recognizes that *Wingardium Leviosa* may be the most popular spell from the world of Harry Potter but he'd be the first to remind fans that it isn't the only one. The unofficial Harry Potter spellbook is a comprehensive companion for fans looking to delve deeper into the magical world of Harry Potter. Written by fifteen-year-old first-time author Duncan Levy this extensive collection of spells is not only a fun treat for fans but an extensive look into the magic that fuels the universe of Harry Potter.
